Come Lords & Ladies to the...

Renaissance Festival Cruise 2011

Carnival Cruises - Carnival Miracle

January 30 - February 7, 2011

8 Night Sailing - Southern Caribbean Cruise

Rub - a - Dub - Dub...A Ton of Wenches on a Tub!

You got it! This year we will be sailing with the entire troop of Washer Wenches.

Does anybody really know how many wenches there are???

At last count, there are roughly 18 of them! Women...come and enjoy the humor!

Men...are you man enough to handle these wenches?

Also, **Dr. Monica Ganz** will be joining the Renaissance Festival Cruise!

Dr. Ganz is one of the countries leading speakers on healthy living and weight management.

She will be speaking several times throughout the cruise and you are invited!

Ft. Lauderdale

Port Everglades is Fort Lauderdale's waterway to the world. This cosmopolitan city spans 23 miles of Atlantic coastline. That's 23 miles of sun, sand and surf for you to enjoy. World-class golf, dining, shopping and sporting events await you in this city by the sea, first made famous in the 1960 film "Where The Boys Are."

St. Maarten

Where else can you experience the food, style and hospitality of two separate countries in an exotic West Indian setting? St. Maarten is divided between French St. Martin in the north and Dutch St. Maarten in the south. Both sides of this 37-square-mile island offer beautiful ocean vistas, gourmet cuisine, first-rate water sports and beaches, and some of the best duty-free shopping in the world.

St. Lucia

Lush green hills, black sand beaches, tranquil blue lagoons and pink melting sunsets. This rainbow of colors can only be found on the unspoiled tropical retreat that is St. Lucia. Visitors are always awed by the array of hues offered by nature. Of course, there's equal grandeur in its magnificent coastline and famous twin mountains known as the Pitons.

St. Kitts

The tropical paradise of St. Kitts features the perfect blend of sun, fun and forests. The sunny weather, warm water and beautiful beaches make this island a popular attraction for boating and diving. While the lush vegetation and meticulously maintained ecosystem makes it the perfect spot for nature lovers. And, the intimate inns, wonderful shopping and colonial architecture appeal to all who visit this unique Caribbean port.

I would like to personally invite you to join us on this most exciting Southern Caribbean Cruise aboard Carnival's "Fun Ship" **MIRACLE!** We will sail on Sunday, January 30, 2011 and I will be happy to add a pre or post-package in The Greater Miami/Ft. Lauderdale Area for those wishing to extend their vacations beyond the 7 day sailing.
